

# Early Learning Village

*They say it takes a village...  
why not start here?*

**Register  
TODAY!**

The programs at Early Learning Village (ELV) are created from a solid understanding of child development and promote the growth of the whole child: physically, cognitively, socially, emotionally and spiritually.

ELV exists to partner with families and to provide an exceptional early learning experience for children. We believe children learn best when their curiosity is engaged in multisensory play experiences.
