This year 24/7 and Salt and Light have been focusing on loving those around us. One of the best ways to express love is by serving. God has called us on mission to serve locally as well as globally. Our goal is to join the mission of Love Inc. and Fuller Center to help those in need locally.

This team will be partnering with Love Inc. and the Fuller Center of Lake County to help people dealing with poverty by providing affordable housing, meeting tangible needs, and community building. They will be staying over night at a church and learning about poverty and how they can be involved in helping others. Our partnership with Love Inc. will give us the opportunity to serve in their starter kit, bunk beds, and furniture ministries. Our partnership with the Fuller Center will give us opportunities to serve in all types of ministry such as construction, agriculture, and community outreach. All these ministries give us the chance to not only serve those around us but spread the good news of Jesus Christ to all.

For more information about these ministries look at: <http://www.fullercenterlakecounty.org/>, <http://www.loveinclakecounty.org/>

Financial goal of support to be raised by letters: \$250

Serving as a missionary at Camp Barnabas goes beyond a week at summer camp. It is a once in a lifetime opportunity to grow in your faith and gain a fresh perspective by serving people with special needs. God has worked powerfully in and through our students who have served at Camp Barnabas over the years and it has become a special place for our youth ministry. Camp Barnabas is located in southwestern Missouri and provides a unique ministry to people with various disabilities. The week we will serve is called "SOARING HAWKS;" diagnoses of campers include: blind, deaf, vision/hearing impaired, chronic diseases, and Asperger's.

Barnstormer (14-15 years old):

Barnstormers work hard to help make camp happen. They keep the camp in tip-top shape by prepping meals, serving food, and tidying up during the week. They also play a role in building relationships with campers by participating in daily activities and evening themed parties. Barnstormers are lead and spiritually mentored by Summer Staff during the week.

Counselor: (16+ years old):

One-on-one counselors are the lifeblood of Barnabas. These incredible individuals put aside their own personal desires and needs to pair up with campers and unconditionally love, accept, and care for all of their needs during the week. Counselors live in the cabins with their campers and are responsible for assisting them in any way they need including experiencing all activities together. It is a challenging role, but incredibly rewarding and spiritually revealing experience.

NAVAJO NATION, NEW MEXICO

Open to students in grades 9-12
July 6-13, 2019

Personal Contribution: \$100 (Due on 1/20/19)
Minimum # of support letters to mail out: 25 (Due on 2/10/19)
Financial goal of support to be raised by letters: \$500

The Navajo Nation extends into Utah, Arizona and New Mexico, covering over 27,000 square miles and making it the largest reservation in the United States. Our team will partner with CFAN (Christ For All Nations) and local churches in the Navajo Nation Reservation in northwestern New Mexico. Together, the team will seek to share the love of Christ with the Navajo people. Navajos desperately need to hear this message, as they face daily the challenges of rampant unemployment, alcoholism, drug addiction, depression & suicide. Over the past years our teams have built a trust with the Navajo people, and we are excited to return once again to continue this powerful ministry.

Our team will participate in a wide variety of ministry throughout the week, seeking to reach people of all ages. These ministries include: Vacation Bible School, ministry to youth, sports ministry, compassion ministry, painting, construction, and repair projects. Our team will stay at the CFAN camp and travel to area churches (such as Dineh Baptist Church) each day to participate in this ministry.

FINANCIAL INFO AND KEY QUESTIONS

Every year it is exciting to see how God provides for the financial needs of each student & team. With around 100 participants, this is no small endeavor. It is important that each student plays an active role in helping us raise the necessary funds & building a large network of prayer warriors & financial supporters.

Here is the part you will need to play:

- ⇒ Giving your own financial contribution
- ⇒ Sending out support letters— this is such a great opportunity for others to partner with us in supporting the ministry that will take place this summer
- ⇒ Serving at the Youth Missions Fundraiser— this is our big opportunity to serve families here at our church & for them to support us financially.

Questions & Answers:

1. What if my family chooses to not send support letters?

While we strongly encourage students to send out support letters, we understand there may be circumstances that lead a family to decide not send out these support letters. In these cases, we ask the students to take the following steps:

- In place of support letters, students should send out a modified prayer letter (send out as a letter or email).
- Give an additional contribution in place of support letters (see Page 1 in the Youth Missions Information Packet). The amount required is the support letters goal listed for each team. These amounts should be given at check-in to the Youth Mission Service Retreat on March 16.

2. What if I do not meet my support letter financial goal?

Periodically we will have a student fall short of the support letter financial goal (see Page 1 in the Youth Missions Information Packet). In these cases, there are some additional steps we will ask the student to take. Pastor Dan and Aaron and your youth mission team leaders will help guide the students through this.

- Follow up with the people you sent support letters. This can come in the form of a phone call, text, email, or Facebook note. Ask them if they received your support letter and if they have any questions about what you will be doing this summer. Don't pressure them to give financially, but sometimes people do need a helpful reminder and if they ask you can express your need for additional supporters.
- Send out additional support letters. Prayerfully consider others you didn't send out letters to initially.
- Find other ways to raise money and give this towards your youth missions support raising. There are tons of options here: babysitting, doing odd jobs, etc.
- Make an additional personal contribution.

3. What if I am unable to serve at the Youth Missions Fundraiser?

The Youth Mission Fundraiser is HUGE, so it is extremely important that everyone participates in this event. If a student has a significant conflict the day of the fundraiser, they must notify Pastor Dan or Pastor Aaron of this well in advance. In place of the roughly 6 hours of serving that day, we will expect the student to fulfill those 6 hours by helping with the preparations leading up to the Youth Mission Fundraiser.

4. What if I can not attend the Youth Missions retreat?

Participation at the Service Retreat is crucial; so we ask students to put a high priority on this event! It is helpful if a student has a conflict during a portion of the retreat to have them still come for the portion they can attend. We typically have a number of students doing this each year, and it helps having the student present with their team, even if it is not for the full Friday evening through Saturday evening. In the case of a complete conflict with the service retreat weekend, students will be required to make up this experience by serving at the Village Church Spring Work Day on Saturday, May 5. This should be communicated well in advance with Pastor Dan or Pastor Aaron.

YOUTH MISSIONS APPLICATION

If you have any encouragement from being united with Christ, if any comfort from his love, if any fellowship with the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and purpose. Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves.

Each of you should look not only to your own interests, but also to the interests of others. - Philippians 2:1-4

Cancellation Procedure: If the student is no longer able to participate in this mission project, he/she will forfeit his/her personal contribution and should notify his/her team leader and Pastor Dan or Aaron immediately. The student must also send a letter to his/her supporters informing them of his/her decision and advise them that their support will go toward others on the team.

Students: By signing this, you indicate that you understand the above guidelines and agree to abide by them. Please understand that failure to follow through with your commitments to any of these guidelines could jeopardize your position on your team.

Parents: By signing this, you indicate that you understand the above guidelines and agree to assist your student in abiding by them.

Parent Signature: _____ Date: _____

SECTION E: PARENT COMMITMENTS

As part of your child's participation on a summer missions team, we ask parents to be involved in the process. The primary area we need your help is with the Youth Missions Fundraiser; participation by at least one parent (preferably both) is required for the fundraiser on March 3 or helping with preparations leading up to the event. Parents can choose from options to help: either prepare for the Silent Auction or help the night of the fundraiser.

Help with preparation for the Silent Auction:

The silent auction is our main source of support from the fundraiser. We need an army of volunteers to make this a success. If you volunteer and get selected for either A or B, you will not be asked to help the night of the dinner. Here are volunteer options:

- A** Donation team (contact local businesses, pick up donations, organize donations by category, give donation)
You can work on your own for most of these
- B** Basket preparation team (organize supplies, create baskets, make bows, put the baskets together)
You can work on your own or come in on "work nights" and work together with other volunteers

Help the night of the Fundraiser:

- C** Set-up Team (2:30-5pm)
- D** Meal Team (4-6:30pm)
- E** Clean up Team (6:30-9pm)

Please indicate your 1st and 2nd choices for the area you would like to serve. Use the letter listed above to indicate your choices.

Parent 1:

Name: _____ Email: _____

1st choice: _____ 2nd choice: _____

Parent 2:

Name: _____ Email: _____

1st choice: _____ 2nd choice: _____

Donations Needed:

We have been very blessed in past years by the success of our Silent Auction. A huge reason we have been successful and able to raise a lot of support for our youth missions teams is because of donations we have received. Please let us know if you have an item that you would be willing to donate. Here are some ideas of items we have received in the past:

Gift cards or cash donation (these will be used to buy supplies and filler items), restaurant gift cards, iTunes gift cards, tickets to sporting events, home decorating items, toys, games, rental property, tools ... anything you think could be used in a gift basket (only new items).
