

## Breakfast-Lunch-Dinner Topics

*Allow each meal time of the day to serve as a reminder to pray about the assigned topic.*

**Families:** Pray for those who are single, married, retired, parents, remarried, grandparents, divorced, etc. Spend time worshiping God, remembering we are a part of the family of faith. Confess the ways in which we sin against God and our families. Thank God for the people in our lives that make up our families in their various constructions. Bring your family's needs to God in prayer.

**COVID:** Pray for the ways in which Coronavirus has shaped our world. Spend time worshiping our all-powerful God and Great Physician, who commands nature and restores what is broken. Confess the ways in which this season has brought to light the many shortcomings and sin in our lives. Thank God for the many ways in which he is recycling a bad season and bringing about something good in the midst of it. Pray for the countless people impacted by this season (medical professionals, educators, the poor, decision-makers, employers and employees, etc.).

**Election Season:** Pray for the upcoming election season. Spend time worshiping our King who controls history and is sovereign over all things! Confess our idolatry of putting God-sized hope in earthly leaders, hoping they will usher in a Kingdom only God can bring. Thank God for the ways he brings about good and stays the hand of evil through earthly leaders. Ask God for wisdom in the ways to have discussion and make decisions amidst elections.

**Mission/Vision/Values:** Pray for Village Church as we continue through the process of discerning God's desire for the direction of His church. Spend time worshiping Christ, head and bridegroom of Village Church, who has saved you and brought you into his family. Confess the various ways sin has worked against the advance of the gospel and growth of disciples. Thank God for the ways in which he is working now. Pray that God would not only guide the process of discerning the new Mission, Vision, and Values, but prepare our hearts for what he has next. **Local Community:** Pray for our schools, decision-makers, co-workers, neighborhoods, and nearby communities throughout Lake County. Spend time worshiping the incarnate Christ, who walked amongst us, and cares about people enough to die for us. Confess the ways in which we are blind or apathetic toward the needs of our neighbors. Thank God for the blessing your community has been to you, your children, and our church family. Ask God to move on behalf of our community in safety for all, provision for need, love amidst interactions, and hospitality in action.

**Global Community:** Pray for our world! Spend time worshiping our Savior, Jesus Christ, who cares about people from every tribe, language, people group, and nation. Confess the sinful ways in which we have not shared God's love and broken heart for the nations of the world. Thank God for those who first shared the gospel with us. Ask that God would continue to equip us to reach the nations, both near and far.

**Gospel Renewal:** Pray for a genuine season of gospel renewal and spiritual revitalization. Spend time worshiping God, the Holy Spirit, who brings about renewal in our hearts. Confess the ways in which sin has quenched the spirit's work in your own life and in the life of our community. Thank God that he is at work, renewing all things. Ask that God would use this season to soften our hearts, then fan our hearts to flame in devotion to God and the work of the gospel.
