

## 2020-2021 Class Sizes

Due to COVID-19 and updated recommendations from the CDC, IDPH, DCFS, ISBE, and the AAP, Early Learning Village (ELV) will reduce all of our class sizes by 20-40% for the upcoming school year. These classroom reductions will remain in place until further guidance is released by health and education officials.

The following classroom caps reflect this change:

- Yellow Cheetahs (4's classroom) 15 students
- Green Cheetahs (3's and 4's classroom) 14 students
- Red Cheetahs (3's classroom) 12 students
- Orange Bears (2's classroom) 9 students
- Purple Bears (18 mo – 2 years classroom) 7 students
