

The programs at Early Learning Village (ELV) are created from a solid understanding of child development and promote growth of the whole child: physically, cognitively, socially, emotionally, and spiritually.

OUR VISION

ELV exists to partner with families and to provide an exceptional early learning experience for children ages 15 months (by September 1)-Pre-K. We believe children learn best when their curiosity is engaged in multi-sensory play. Our staff is dedicated to cultivating a nurturing environment and modeling Christlike character. ELV admits students of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.

Promoting the
GROWTH
of the
WHOLE child!

LITTLE BEARS

- From 18 months (by September 1)
